Subject: Application for the position of Site Engineer (Civil)

Dear Sir/Madam,

I am writing to apply for the position of Site Engineer (Civil) at Delmas Apparels (Pvt.) Limited as advertised. I have completed my BSc in Civil Engineering and am currently pursuing an MSc in Disaster Engineering and Management. I have practical experience in site supervision, quality control, material management, and coordination with contractors and site teams.

Currently, I am working as a Civil Engineer at Formative Design & Development, where I ensure construction work is carried out according to approved drawings and specifications, supervise site activities, check material quality and quantity, and assist with inspections and project scheduling. I am confident that my technical knowledge, hands-on site experience, and commitment to safety and quality will enable me to contribute effectively to your organization.

I would appreciate the opportunity to discuss how my skills and experience align with your requirements. Please find my CV enclosed for your kind consideration.

Thank you for your time and consideration.

Yours sincerely,

Shahi Imam Al Banna
